

*Run through St. John's Prep, Summer at St. John's offers camps and programs to boys and girls ages 4 to 18.*

Are you looking for an unforgettable summer camp experience for your child? Join us for our **Summer Camp Open House** on **Saturday, January 4, 2025**, from **3:00 PM to 5:00 PM!**

**Location:** Leo and Joan Mahoney Wellness Center (Building 14) - please use [this map](#) to find us!

This event is the ideal opportunity for families to:

- Learn about our diverse summer camp programs.
- Meet our dedicated camp staff.
- Get a sneak peek at some of the exciting activities planned for the upcoming summer.

Although we are unable to offer campus tours on this day, this event is ideal for new families to learn more about our program and staff. We warmly welcome returning families to join us as well! Catch up with favorite counselors and camp friends, learn about exciting new programs, and don't forget to bring along a friend who's new to camp—it's always more fun to share the experience! Whether your child loves outdoor adventures, creative arts, or STEM projects, there's something for everyone at our camps!

This event takes place on wooden basketball courts used for St. John's Prep athletic events. To help us maintain the space, we kindly ask:

- **Wear non-marking athletic shoes.**
- **Refrain from bringing food or beverages** (water is permitted).

We have so many camp activities for future campers to try - take a look at our schedule of activities, including pre-Open House activities, below.

### Pre-Open House Activities

*Limited spaces are available in each activity. Pre-registration is required - please register in advance by [clicking here](#).*

	<b>John A. Driscoll Aquatic Center</b>	<b>MPR 1</b>	<b>MPR 2</b>	<b>Meditation Room</b>	<b>TBD</b>
	<b>Open Swim</b> <i>(all ages)</i>	<b>RoboThink</b> <i>(Grades 1-3)</i>	<b>Intro to 3D Design &amp; Modeling with CodeWiz</b> <i>(Ages 7-12)</i>	<b>Intro to Minecraft with CodeWiz</b> <i>(Ages 7-12)</i>	<b>LARP Games with LARP Adventure</b> <i>(Grades 5-9)</i>
<b>2:15 PM</b> - <b>3:00 PM</b>	Splash around in our pool* during open swim! Lifeguards will be on duty for a safe and fun experience. Please note, the indoor pool is 82 during the swim season.	Hit the racetrack with RoboThink! In this thrilling workshop, students will get an opportunity to build, customize and race their own Go Kart against the rest of the class to see who the Ultimate RoboThink Racer is! With gears, motors, axles, RoboThink's proprietary hardware and a variety of different builds and competitions, students will be in for the ride of their life!	Get ready for an exciting 45-minute introduction to some of our most popular programs! These mini-classes are designed to spark creativity and curiosity in young minds, giving kids a glimpse into the world of 3D design, Minecraft game mechanics, or modding possibilities.  <b>3D Design &amp; Modeling:</b> Explore how digital ideas come to life! Kids will learn basic 3D design concepts and see real-world applications. If possible, we'll bring a 3D printer for an exciting live demonstration, showing how their designs can transform into tangible creations.	Get ready for an exciting 45-minute introduction to some of our most popular programs! These mini-classes are designed to spark creativity and curiosity in young minds, giving kids a glimpse into the world of 3D design, Minecraft game mechanics, or modding possibilities.  <b>Minecraft 101:</b> For younger participants, this class dives into the basics of Minecraft. They'll learn how to build, explore, and collaborate within the game's sandbox environment, setting the foundation for creativity and teamwork.	Get a hands-on experience with our newest program, Live Action Role Play. Join us as we play some LARP games that introduce the social/emotional and physical skills we'll be developing during our camps this summer, and get a chance to try out some of the physical tools we'll be designing and building this summer.

Our main event starts at 3:00 PM and features many favorite camp activities for kids to engage in. Camp Staff will be on hand to answer any questions you may have. Take a look below.
