

# SUMMER AT ST. JOHN'S

**During all of our incoming staff interviews, the interview teams will ask the following questions.**

- How do you manage stress? How might you ask for help if you needed it?
- What would you do if you observed discriminatory behavior against a camper or staff member?
- Can you share with me a time when you made a mistake or failed at something. What did you learn?
- Tell me about a time when someone gave you feedback or constructive criticism. What was the advice and did you act on it?
- What impact do you hope to make on your campers during your time at camp? How will you become a changemaker this summer?
- Is there anything you want to know about Summer at St. John's and its programming?
