My First Lemonade Stand Summer Program

at St John's Prep

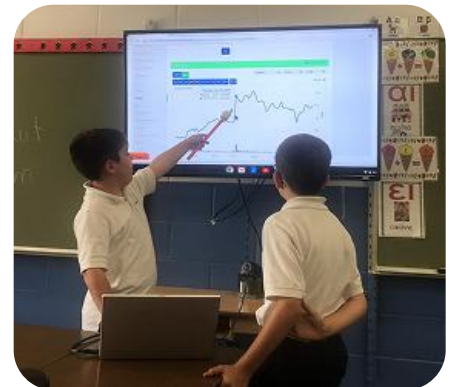

Learn with SPARK!

Calling all future business owners! Get ready to stir up creativity, teamwork, and fun in this full-day camp where YOU become the boss of your very own lemonade stand!

Campers will mix, taste, and test new lemonade recipes to find their winning flavor, then work together to create a unique stand name, design colorful signs, and decide how much to charge for their refreshing drinks. Along the way, they'll learn real business skills like teamwork, budgeting, and marketing — all while having a blast!

The week wraps up with the ultimate challenge: running your own lemonade stand for family and friends! Will your sweet-and-sour combo be the crowd favorite? Only time (and taste buds) will tell!

Whether you're a future CEO or just here for the fun, this camp is the zest way to spend your summer!

Mon, 8/3 - Fri, 8/7
